Mizer's is the best way to save the most money on your family's food bill! We price every item at our cost or below, then we add just 10% handling fees at the checkout. We determine the cost of each item by the expense it takes us to get the product from our warehouse to the shelf. So remember all the prices you see on the shelf display or in our advertisements will have just 10% added at the checkout. Sorry, no rain checks on sale items. While quantities last. Questions?
